Tuition 2022/2023 School Year

COVID-19 Tuition Policy

Families enrolling for the 2022-2023 School Year are asked to commit to paying tuition for the full school year. However, we anticipate that we may be required to close school for a period of time due to COVID-19, and we recognize that full payment may not be possible or practical.

- If the governor, state and local health officials close schools for less than 2 weeks, there is no change to tuition payments.
- If school closes for 2-4 weeks, you may reduce the first scheduled payment after the closing by 40%.
- For a school closing of 4-8 weeks, you may reduce the first scheduled payment by 40% and the second payment by 60%.
- If school is closed beyond 8 weeks, tuition payments will automatically be suspended until school reopens.

Any tuition paid after July 1, 2022 is non-refundable. Tuition will not be reduced due to a child being absent due to illness, travel, self-quarantine after travel, weather delays or closings or holidays and scheduled breaks noted in the school calendar.
